

Hello Jakarta! is a fun and effective way for elementary students to learn English.

1. Students are engaged with a wide range of activities that will encourage them to master English skills (listening, speaking, reading and writing) as well as to know their own culture better.
2. Students are exposed to the rich culture of Jakarta (songs, dances, games, traditions).
3. Each unit also introduces students various English vocabularies and grammar used to express ideas in daily context.
4. Various activities are carefully designed to keep language-learning fun.
